

REMARKS

Upon receipt of the Notice of Allowance, Applicant reviewed the Examiner's Amendment presented in the Notice of Allowance. As a result of such review, the Applicant noted minor errors in the presented Examiner's Amendment. In particular, the Examiner's Amendment inadvertently replaced the word "acceptor" with the word "detector" in claims 22 and 23. Moreover, since such replacement was done without the proper markings (i.e. striking "acceptor" and underlining "detector"), the Applicant believes such changes have not been officially entered.

In an attempt to avoid future confusion regarding the status of the claims, the Applicant submits herewith a listing of the claims which incorporates the Examiner's Amendments presented in the Notice of Allowance, but with claims 22 and 23 properly depicting the word "acceptor" instead of the word "detector." No markings are shown in the **LISTING OF CLAIMS** since the Applicant believes it to depict the current state of the claims in the present application. If the state of the claims is otherwise, the Applicant respectfully requests clarification prior to the issuance of the present application.

Should there be any questions, the Examiner is requested to telephone the undersigned Attorney at (312) 238-8600.

The Commissioner is hereby authorized to charge additional fees or credit overpayments to the deposit account of McAndrews, Held & Malloy, Account No. 13-0017.

Date: December 31, 2009

Respectfully submitted,
